This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of the Petitioner TC Systems, Inc. (herein “TC Systems” or “Petitioner”) requesting withdrawal of the Complaint in this matter.

This case was initiated by TC Systems by the filing of a Complaint with the Commission on April 20, 2004, against the Respondent BellSouth Telecommunications, Inc. (“BellSouth” or “Respondent”). The Complaint, in short, alleged that BellSouth had failed to comply with its obligations under 47 U.S.C. §§ 251 and 252 and 47 C.F.R. § 51.809(a). Additionally by its Complaint, TC Systems sought to require the execution of an Adoption Agreement between TC Systems and BellSouth, and finally sought approval

of TC Systems' § 252(i) adoption of an Interconnection Agreement between BellSouth and AT&T.

Numerous motions and pleadings ensued and were filed with the Commission from both TC Systems and BellSouth in regards to the Complaint in the instant docket. However, on September 7, 2004, TC Systems, through its counsel, advised the Commission that the Petitioner was withdrawing its Complaint in this matter.

IT IS THEREFORE ORDERED:

1. That the complaint filed by TC Systems, Inc. against BellSouth Telecommunications, Inc. in the instant docket is hereby withdrawn, and this docket is hereby closed.

2. That this Order shall remain in full force and effect until further Order of the Commission.
